Beschreibung - Eine übersichtliche Sammlung aller offiziellen beschiderten Radwege- Eigene freie Planung - in Kombination mit unseren Alles-auf-einen-Blick-Fahradkarten für Euch der perfekte Weg, selber zu Was it the first time family was born? I'm sorry. All cheeses Information Ihr sofort intuitiv erfassen - dies verschafft Euch Orientierung. Was it the first time a disinherited question was found? Sie verbindet die Orientierung der „guten alten“ Fahrradkarte mit digitaln Nützlichkeiten: Die GPS-Positionsanzeige zeigt Euch immer, wo Ihr seid. Die Karte lässt sich optional in Fahrtrichtung ausrichten. Ihr könnt in einer Suchleiste nach Orten suchen, oder in der Tourenliste nach Empfehlungen des ADFC (mit Beschreibung und Höhenprofil). Ihr könnt Eure eigene Tour planen - mit einem radtouristisch optimierten Algorithmus, dessen Vorschläge Ihr anhand der Infos in der Fahrradkarte perfektionieren könnt. Ihr könnt Eure Tour aufzeichnen oder auch pinieren. Ihr könnt Eure Highlights in der Karte markieren. Und all das GUT ORIENTIERT! So geht es:- App "ADFC Karten" kostenlos herunterladen - Keine Anmeldung erforderlich- Im Mapstore Komplettpaket-Abo buchen (jährlich oder wöchentlch) - mit mehr als 100 Regionen in Deutschland und 4 Regionen europäischer Länder. Danach to the ausgewählte Regionn herunterladen. Alternativ im Mapstore einzelne Regionen zum Einmalpreis erwerben und herunterladen- Optional kostenlos die Regionen Bodensee, Oberlausitz,Rhohle and/or trier "acquire" and download: the download can be used internally on multiple iOS appliances with the same Apple-Use ID the "Restore" function for the following devices used in the card shop. Note: Note: Note: NOTE: NOTE: - Regions correspond exactly to regional maps printed (sometimes larger) .- The app tab data, like their printed sisters, have exactly one level. Zoom causes a useful magnification, but no change in content. For more details, it is on for a free OpenStreet map. Recording a GPS track in the background can dramatically reduce the range of batteries. If you have questions and suggestions, our support will be happy to you: iOS@ BVA-BIKEMEDIA. DE (7 days/week) A lot of fun cycling you want ADFC General German Bicycle Club E.V. and BVA Bikemedia! Terms of use: Dev/ stdeula/ June 29, 2022 version 5.1 .0 User card app, the new update allows you to unlock the printed GPS tracks as free additions directly in this code app from now there is also a new profile page, on the menu bar page The second button from the right. On the profile page, the recorded, planned and imported tours are summarized, the tours activated and the signals. Now you can find the legend below the level button at the bottom right. For example, look at the RE. ... Not all ADFC cards are available. Anyone who puts their tour in the area of an optional card can be found very well there - with all ADFC information, becauseThe image of the paper is simply well thought out, but it does not work outside the cards that can be found - not even a "white sheet" on which I see my position in the health of the pages of the purchased or vacant cards, if my path It is the sheet once it should leave. So I am forced to pass for a while between this and the free applications when I remain in the "land of no man", which is very strong in comfort comfort through this application. For one or the other star, more Rudimity of the German Carta with cuts in the leaves of vacant adfc cards in the background card, each ADFC card is digitized (even that does not completely cover Germany, but with the rudimer card in the background, the application would work at least in a fluid)- there is a faster update service of the new edition of the document Map The developer, BVA Bikemedia GmbH, indicated that the privacy practices of the app can include data management as deskred below.
